Training Highlights:

- Achieve 100% Submission Rate
- Overview of the PIC System
- Interpret PIC Errors and correct them – every time!
- Reports that help achieve a 100% Submission
- Bring your own PIC errors – we'll explain how to fix them!

The training will be presented by Mike Denny, PIC Coordinator at Tenmast Software. Mike and the PIC Team have worked closely with HUD on the PIC development process since 1999 and are used as one of the primary PIC system testers that HUD relies upon today. Every year they help hundreds of PHA's submit 50058's to PIC successfully.
