Dear PHA Executive Director and Section 8 Administrators,

It is my pleasure to invite you to join the Section 8 Administrators Association.

Today, the Association represents over 120 member agencies in Massachusetts and surrounding New England states!

Forty-one years ago, on June 19, 1978, the Section 8 Administrators Association was founded by a group of enthusiastic and dedicated individuals for the purpose of providing a forum for the exchange of information on the management of the Section 8 program now called the Housing Choice Voucher program.

The Association is committed to conducting trainings on how to establish policies and implement procedures that enable PHAs to run their programs proficiently and in compliance with regulations. The Association also provides advocacy on behalf of our member agencies. The past several years we have seen changes that have been unprecedented.

The Association provides quality programs with qualified local and national trainers. Each year we bring in several recognized experts in the subject to provide our members with quality training. We also alert both Executive Directors and Section 8 Administrators to both changes and proposed changes by HUD. In the past years, we have hosted training seminars, at a reasonable cost, on the following subjects: HCV Financials, Ask a Lawyer, Fair Housing, Reasonable Accommodation, LEP, Informal Termination Hearing, HUD-Staying off the Radar, FSS, Homeownership, HCV Rent Calculations, Go Section 8 and so much more.

We sincerely hope that you will take this opportunity to join our organization or to renew your membership with us. We are asking all housing authorities and affiliate members to complete the enclosed renewal form no later than August 20, 2019. Our fall trainings are already booked. The membership is from September 1, 2019-August 2020.

Feel free to contact me at carrie@dedhamhousing.org if you have any questions or would like additional information about our Association.

Sincerely,

Carrie Moore
